Dylech ystyried a ces angen i'r ffurflen sylwadau hon gael ei hategu gan arfaniad o gynaliadwyedd. Lle bo gan newidiadau arfaethedig i Gynllun Datblygu effeithiau cynaliadwyedd sylweddol, bydd angen i chi ddarparu'r wybodaeth berthnasol ar gyfer arfamu cynaliadwyedd. Mae'n rhaid i'r wybodaeth hon fod yn gyson â chwmpas a lefel manylder yr arfaniad o gynaliadwyedd a gynhaliwyd gan yr Awdurdod. If you want to suggest a new site, please attach a site plan identifying the boundaries of the site you wish to be included in the Plan and provide details of its proposed use. You should consider whether it is necessary for this comments form to be accompanied by a sustainability appraisal. Where proposed changes to a development plan have significant sustainability effects, you will need to provide the relevant sustainability appraisal information. This information must be consistent with the scope and level of detail of the sustainability appraisal conducted by the Authority. It should also refer to the same baseline information in identifying the likely significant effects of the revised policy or new site.

**5. Rhestwrwch eich sylwadau isod.**

Dylech gynnwys yr holl wybodaeth, tystiolaeth a gwybodaeth ategol sydd eu hangen i gefnogi/cyflawnhau eich sylw. Nodwch pa brawf/profion cadernid mae'r Cynllun Datblygu Lleol yn eu bodloni neu nad yw'n eu bodloni a pham (gweler y nodiadau cyfarwyddyd i gael rhagor o wybodaeth). Bydd hyn yn helpu'r Awdurdod a'r Arolygydd i ddeall y materion y byddwch yn eu codi. Dim ond os bydd yr Arolygydd yn eich gwahodd i fynd i'r afael â materion y bydd yn eu codi y byddwch yn gallu cyflwyno rhagor o wybodaeth i'r archwiliad. Sylwer na fydd yr Arolygydd wedi gallu gweld unrhyw sylwadau y gallech fod wedi'u gwneud mewn ymateb i ymgynghoriadau blaenorol.

**5. Please set out your comments below.**

Include all the information, evidence and supporting information necessary to support / justify your representation. Please indicate which soundness test(s) the LDP meets or does not meet, and why (see guidance notes for more information). This will help the Authority and the Inspector to understand the issues you raise. You will only be able to submit further information to the examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

I support the fact that the site has not been allocated in the second deposit revised LDP. The site partially floods and no access is seen. It is partially on the flood plain. (See attached photos and see Inspectors decision from Caernarfonshire UDP attached)

Ticiwch yma os ydych chi'n cyflwyno deunydd ychwanegol i gefnogi eich sylw.

Tick here if you are submitting additional material to support your representation.

**6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn gwrandawiad yr Archwiliad cyhoeddus?**

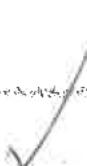

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawiad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawiad. Sylwer hefyd y bydd yr Arolygydd yn pennu'r weithdrefn fwyaf priodol ar gyfer darparu ar gyfer y rhain sydd eisiau rhoi tystiolaeth lafar.

**6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?**

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

*Nid wyf am siarad mewn sesiwn gwrandawiad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.*

I do not want to speak at a public hearing and am happy for my written representations to be considered by the Inspector.

*Rwyf am siarad mewn sesiwn gwrandawiad.*

I want to speak at a public hearing.

*Os ydych chi eisiau cyfranogi mewn gwrandawiad, nodwch isod am beth rydych chi eisiau siarad (e.e. 'Safle Tai ym Mhen y Graig' neu 'Y targed tai cyffredinol').*

If you want to participate in a hearing, indicate below what you want to speak about (e.g. 'Housing site at Pen y Graig' or 'The overall housing target').

**7. Os ydych am siarad, byddai'n ddefnyddiol pe gallwr nodi ym mha iaith yr hoffech gael eich clywed.**

**7. If you wish to speak, it would be helpful if you could indicate in which language you would like to be heard.**

*Rwy'n dymuno cael fy nghlywed yn Gymraeg.*

I wish to be heard in Welsh.

*Rwy'n dymuno cael fy nghlywed yn Saesneg.*

I wish to be heard in English.

The Carmarthenshire Revised Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You

*Newidiadau Canolbwytiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.*

*Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.*

*Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.*

should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

## **CARMARTHENSHIRE UNITARY DEVELOPMENT PLAN**

### **INSPECTOR'S REPORT**

---

#### **Recommendation**

*REC17.009* I recommend that no change is made to the Plan in respect of this objection.

#### **Site AMCH10 Llandybie**

<i>Objection Number</i>	<i>Objector</i>
2013	1193 – B J Owen & T Evans

#### **Main Issue**

17.034 Whether the objection site should be allocated for residential development, with a consequential adjustment to the development limits for Llandybie.

#### **Inspector's Considerations and Conclusions**

17.035 The objection site comprises a large, relatively level, pasture field. The south-eastern boundary, in the most part, follows the course of a stream. The site is located to the rear of existing development which adjoins the eastern side of Ammanford Road. The site has two potential access points onto Ammanford Road which are already incorporated within the development limits. The northern most is currently pasture land, whilst the southern area is part of Midway Garage and is used to display cars.

17.036 In terms of the availability of local services and shops, as well as public transport links, I accept that Llandybie has relatively good sustainability credentials in terms of reducing the need to travel, especially by the private car. However, it is my view that the amount of land allocated is sufficient to meet the housing needs of the area for the Plan period. It is important, in my view, to recognise that Llandybie is in close proximity to Ammanford, one of the key locations in the growth area. Although I acknowledge that this is not a point accepted by the objectors, it is reasonable, in my view, for the County Council, in allocating land in this part of the county, to direct the majority to Ammanford because it is the most sustainable settlement. I thus note, in considering the level of land allocated at Llandybie, that 569 units would be allocated in nearby Ammanford in the Plan, if my recommendations are accepted. The total allocation for Llandybie of 95 units, as referred to by the objectors, was increased to 113 units through the Pre-Inquiry Proposed Changes. Whilst I have recommended deletion of one of the sites allocated in Llandybie because of flood risk concerns (see my report on policy GDC34 in Chapter 3 above), it is my view that the remaining allocations, amounting to 88 new dwellings, are sufficient to meet the needs of this part of the growth area in the context of the lower overall numbers of dwellings which I recommend in Chapter 4 of my report. I acknowledge that this remains a significantly lower figure than that allocated for Cross Hands. However, Cross Hands is the other key location within the Growth Area. Although the total number of units allocated for Llandybie also remains less than Drefach, Penygroes, Tumble and Tycroes, it is greater than the number allocated for other places within the Growth Area. I thus do not accept that Llandybie should have a greater amount of land allocated for residential purposes.

17.037 From the Council's proof, which refers to information provided by a local resident, it appears the objection site suffers from drainage problems. However, I agree with the objectors that this could be remedied through an appropriate surface water drainage system. Importantly, the site is not identified by the Environment Agency as being at risk of flooding.

---

## **CARMARTHENSHIRE UNITARY DEVELOPMENT PLAN**

### **INSPECTOR'S REPORT**

17.038 In terms of the proposed allocations criticised by the objectors as part of their duly made objection, GR3/40 already benefits from planning permission and is partially developed, whilst GR3/41 has outline planning permission and the Council are of the view that the access and parking issue in relation to the primary school is not a constraint on the site.

17.039 With regard to sites lying within the flood plain, I have considered those specifically identified as being within zone C2 flood risk areas under policy GDC34 in Chapter 3 of my report and I refer above to my recommendation to delete one of the sites in Llandybie. In terms of other sites, it will be necessary to consider the impact of policy GDC34 and the recent technical guidance published by the Welsh Assembly Government (TAN15, July 2004) that highly vulnerable development, which includes all residential premises, should not be permitted in areas at risk of flooding. Whilst, this may result in a reduction in the number of dwellings that other sites in Llandybie could accommodate, I do not consider this possible shortfall should be rectified through the making of further allocations. Even if some of the allocations in the Plan fall marginally short of the anticipated number of units, I consider that the flexibility allowance built into the housing need calculations will ensure that the overall level of provision for the Plan period is sufficient to ensure that the housing requirement is still met.

17.040 In light of the above, I consider that sufficient land which is more suitable for development has been identified elsewhere within the Ammanford/Cross Hands Growth Area. Development of the objection site would thus constitute an unnecessary encroachment into the countryside that would be detrimental to the character and amenity of the area.

#### **Recommendation**

*REC17.010* I recommend that no change be made to the Plan in respect of this objection.

#### **Sites AMCH11      Llandybie AMCH12**

<i>Objection Number</i>	<i>Objector</i>
2304	1309 – Mr & Mrs C M John
2305	1309 – Mr & Mrs C M John

#### **Main Issue**

17.041 Whether the objection sites should be allocated for residential development, with a consequential adjustment to the development limits for Llandybie.

#### **Inspector's Considerations and Conclusions**

17.042 The larger objection site, AMCH11, comprises a grassland field which rises towards the south east. The smaller site, AMCH12, is the southern part of this field which adjoins Glynhir Road. The existing development found on Glynhir Road largely has a ribbon form which leads off at a right angle from Ammanford Road. The objection sites adjoin the far end of this ribbon development and would lead to an eastern expansion of the existing built up area. Due to their physical situation, I consider the allocation of the
