Dear Sir/Madam,

We, Glanville and Anne EVANS, of the above address, wish to register our opposition to the inclusion of Su 20/h1 (land adjacent to Llyn Henni) in the revised LDP 2018-2033.

The main reason for our opposition to this inclusion, is that we are concerned by the detrimental impact, that any developments will have on our village of Porthrhyd, which already has existing sewage and surface water problems.

Yours faithfully,

[REDACTED]
