Dear Forward Planning Manager

Please find attached my thoughts on the second deposit of the Carmarthenshire LDP.

I feel if we consulted the views of the residents of the local area and Carmarthenshire, it would be found that there is a desperate need to expand the employment opportunities in and around Carmarthen. In West Carmarthen in particular where there has been, and currently is, a large housing development, which will need high work requirements. I feel that any reduction in jobs resulting from the removal of the above area for employment in second deposit LDP would be detrimental to the area.

Yours Sincerely

Mr Arwel Glyn Davies
