If you want to suggest a new site, please attach a site plan identifying the boundaries of the site you wish to be included in the Plan and provide details of its proposed use. You should consider whether it is necessary for this comments form to be accompanied by a sustainability appraisal. Where proposed changes to a development plan have significant sustainability effects, you will need to provide the relevant sustainability appraisal information. This information must be consistent with the scope and level of detail of the sustainability appraisal conducted by the Authority. It should also refer to the same baseline information in identifying the likely significant effects of the revised policy or new site.

Include all the information, evidence and supporting information necessary to support / justify your representation. Please indicate which soundness test(s) the LDP meets or does not meet, and why (see guidance notes for more information). This will help the Authority and the Inspector to understand the issues you raise. You will only be able to submit further information to the examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

#### **10.21 Teifi Cluster**

We support the Deposit LDP where it states: *“The close cross border relationship of the area to those communities in Ceredigion is noted, as is the role that settlements such as Llandysul, Lampeter and Cardigan play to the communities in this area. This relationship is recognised in various policy documents, and is a key consideration in the distribution and supply of homes within the 2nd Deposit LDP”*

#### **Strategic Policy – SP3: Sustainable Distribution – Settlement Framework**

Cwmann has been designated as a Tier 3 Sustainable Village within the Settlement Framework, indicating that it is a suitable location for significant housing growth due to its range of facilities and services. Although the Deposit LDP does not require any explicit amendments, it is important to note that Cwmann scored highly in the Strategic Spatial Options and Settlement Hierarchy Topic Paper, ranking as the 22nd most sustainable settlement out of 136. Furthermore, the recently opened Carreg Hirfaen (Coedmor) Community Primary School is located in close proximity to the site and is easily accessible via a safe pedestrian route.

The Revised LDP should make explicit reference to the close functional relationship between Cwmann and Lampeter, despite the fact that they are located in different authority areas. Lampeter, identified as a key settlement within the Wales Spatial Plan and an Urban Service Centre in the Ceredigion LDP, is located only 2km from the site.

According to the PPW, local authorities should designate clusters of smaller settlements with a sustainable functional linkage as preferred locations for new development, including housing. Given its designation as a Sustainable Village in close proximity and with a sustainable functional linkage to Lampeter, Cwmann should be allocated sufficient housing reflective of its position.

The WCFG Act, which the LDP must accord with, sets out a range of well-being goals that relate to sustainability in addition to accessibility to facilities. Failure to provide new housing in settlements like Cwmann could result in affordability issues and threaten the viability of existing services. The Demographic Forecasts Paper (July 2018) identifies an ageing population profile in the area, highlighting the need for new development to support younger families moving to the area and maintain Welsh language and culture within these settlements.

**HOM1: Housing Allocations: SuV37/h2 Land south of Cae Coedmor**

Land south of Cae Coedmor (Allocation Ref: SuV37/h2) is proposed to be allocated for 20 homes within the plan period with 2.4 of these proposed as being affordable housing.

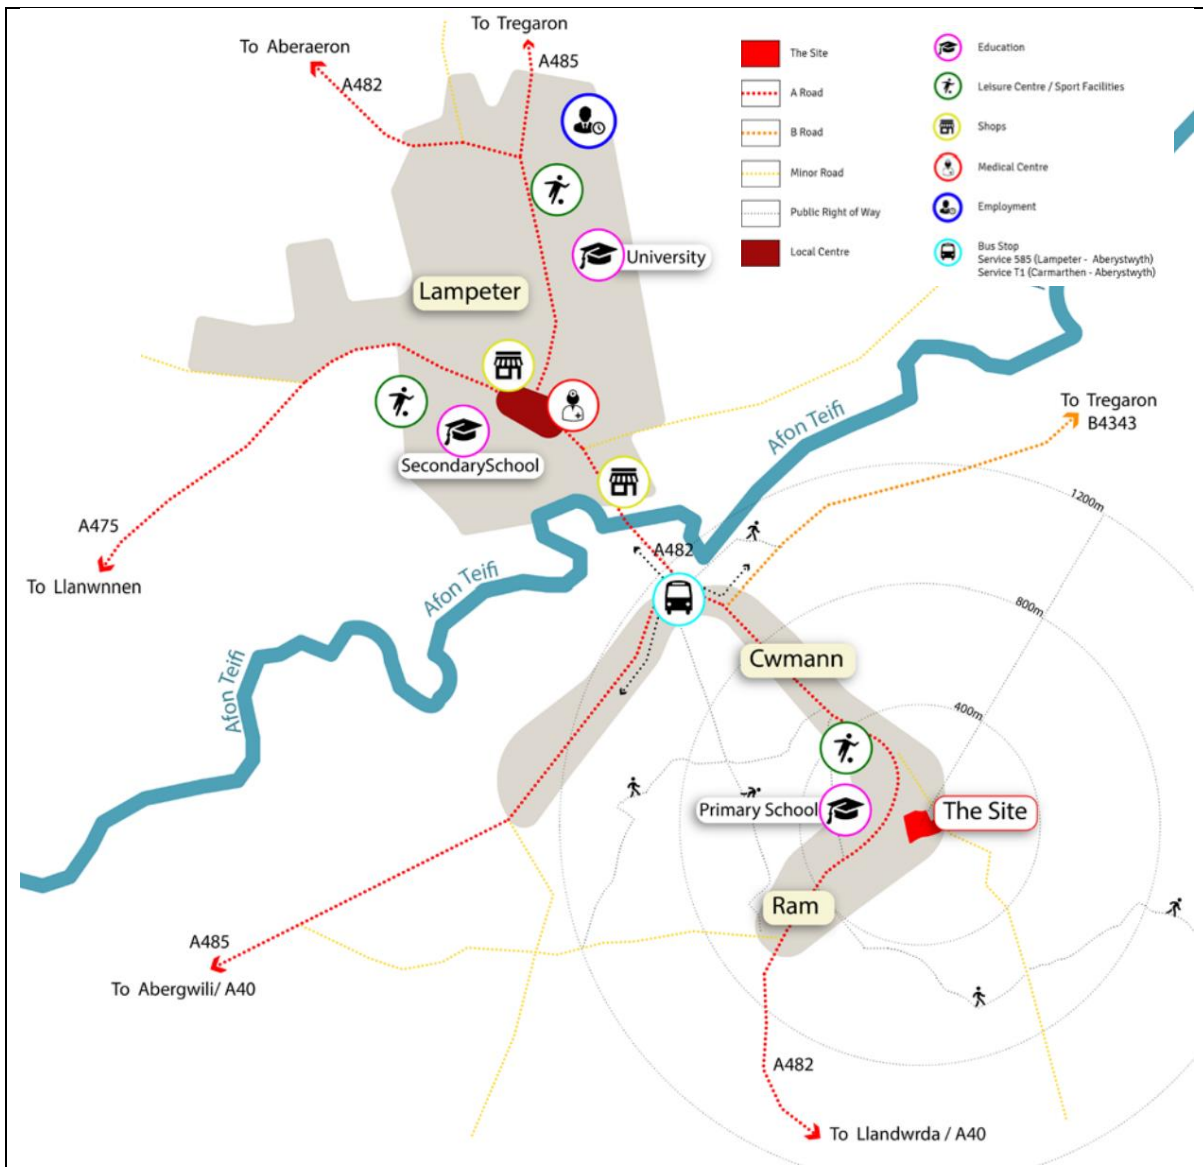

Melyn Ltd are the sole landowners of the land and previously submitted it as Candidate Site SR/034/004. Development of the site for housing continues to be supported by the site promoter. They have commissioned the enclosed Illustrative Masterplan and have previously undertaken studies in respect of transport and ecology at the site.

The site is not within or near any statutory cultural heritage, landscape or ecological designations. There are no technical constraints on the site that cannot be overcome or would preclude residential development.

The site is sustainably located and is immediately adjacent to residential development within Cwmann, and is located within the following walking distances (via a safe, level, convenient pedestrian route) of the following services/amenities:

SERVICE		WALKING DISTANCE
Carreg Hirfawn Primary School		340m
Convenience Retail: Co-operative Supermarket		1300m
Cwmann Tavern Public House		1000m
Cwmann Community Centre and Playing Field		200m
Community Notice Board		200m
Capel Cynulleidfaol Bethel Parcyrhos		850m
Bus (War Memorial Bus Stop)	Service 585 (to Aberystwyth)	250m
	Service T1 (to Carmarthen)	
Bus (Heol Hathren Bus Stop)	Service 540 (to Lampeter)	650m
	Service 616 (to Temple Bar)	

There are no pre-requisite infrastructural requirements to enable it to be developed. It comprises a deliverable site according with the PPW requirement for “the supply of land to meet the housing requirement proposed in a development plan [to] be deliverable”. Importantly, the site can come forward without the need for any significant infrastructure improvements and can progress separately from adjacent sites (albeit in a complementary manner)

Estate Agents, Evans Bros, who have an excellent knowledge of the local market area, have stated:

*“we again confirm that there is a market for three bedroom properties in the Lampeter area. Moreover, [the] proposed site at Caecoedmore, borders on the last development, whose properties have all sold.*

*We feel your new proposed site should again sell comfortably, being on the periphery [sic] of Cwmann village, and within easy walking distance to the University Town of Lampeter. Also not forgetting its close proximity to the new Primary School in Cwmann.”*

Additionally, Ram Developments (Cwmann) Ltd, who developed the adjacent site at Cae Coedmore, have shown interest in developing the candidate site.

There is therefore proven demand by small to medium-sized enterprises, which is in line with the PPW's emphasis on LPAs to support such enterprises, further supporting the site's allocation.

Further site investigation and design details will be carried out in the future, and there is a willingness to engage in dialogue with Carmarthenshire County Council Officers and other stakeholders to demonstrate the site's suitability for development and its continued identification as an allocation in the Revised Local Development Plan.

**6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn gwrandawriad yr Archwiliad cyhoeddus?**

*Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. **6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?**

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

*Nid wyf am siarad mewn sesiwn gwrandawriad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.*

The Carmarthenshire Revised Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the

Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.
